“All of our employees now use Ariba,” said Armin Modi, Procurement Director, Oskar Mobil. **“We are basically buying everything through the system now from services to IT staff. Our success mainly lies in reducing the cost of the entire procurement process. We have also seen the time taken to create requisitions shorten considerably and it now takes two-thirds less time from requisition through to approval.”**

“The Ariba® Buyer™ application was more user-friendly than those offered by other software providers,” said Radomír Strakoš, procurement process and systems manager, Oskar Mobil. **“In particular, Ariba covered the document flow process better than any other vendor.”**
